UUCC Board Meeting Minutes

Hiring Policy Considerations

Best practice in church staffing is to not hire member due to conflict of interest, and that the relationships get convoluted and confusing. Brenda Lyday, Sharon Kelley and Priscilla Golden will be grandfathered in. Hiring will always be contingent upon a background check. Motion to adopt by Jennifer Goodman, seconded by Mark Vinich. Motion passed.

The November 2013 Board Meeting Minutes were reviewed regarding the policy of not considering church members for church positions. The original policy was reviewed, and the intent clarified, that we would not hire a congregation member for church positions, but we would grandfather the following people in their current positions: Brenda Lyday, Priscilla Golden, and Sharon Kelley. Jennifer Goodman made a Motion to reflect this. It was seconded by Elizabeth Thorson and passed unanimously.
